## EXPERIENCE

### Frontend Developer Intern
**Andromeda Digital**
📅 2021 - 2022    📍 Kolkata
StartUp
- This is my first opportunity as enter in IT Industry as a frontend web developer.
- Here I understand how websites work. Importance of Backend and DataBase
- Here I work as a frontend developer and some time I made Android Apps in Java.

## PROJECTS

### MY PORTFOLIO WEBSITE
📅 2021 - Present    📍 INDORE
[HTML CSS JAVASCRIPT REACT]
- In this website i tried to provide my all informations.
- In this website i tried to made the actractive user interfaces by using **animate.css** and custom css.
- This website is fully **responsive** run in any Device.
- **YOU CAN CLICK THIS LINK** - https://bit.ly/3V4NCA1

### PROJECTILE COLLISION
📅 2023 - Present    📍 INDORE
[HTML CSS JAVASCRIPT NODE SERVER MONGODB ATLAS CLUSTER]
- This is a **Javascript Game** which you can play **online** as well as **offline** by storing your score to devices local storage and when you come in network it send the data to **Mongodb Database.**
- Multicolor Balls come with random position with random color and you have to distroy it when this balls distroy it spread small particles which looks **beautifull**
- You can see the **World Wide** users score and compete with each other.
- you will never face the **Game over**. This is the infinite loop game.
- **YOU CAN TRY IT LINK -** https://bit.ly/3HeCZVx

### SPY APP
📅 2023 - Present    📍 INDORE
[ANDROID STUDIO NODE SERVER MONGODB HTML BOOTRAP REACT]
- It is the **MILISIOUS APP** it lools like a simple **CALCULATOR** but when installed in device it save all the **CONTACTS MASSAGES CALLOGS TOTALAPPS** in few seconds and send this information to the NODE SERVER**.**
- In NODE SERVER all the imformations save to the **MONGODB ATLAS CLUSTER**.
- I create the **FRONTEND WEBSITE**. In this website you can see all the content by login.
- **! The aim of the app is only monitoring the childrens activity. There is no motive to harm any one's security !.**
- **YOU CAN SEE IT LINK -** https://bit.ly/3LvSnzh
